

## Compare Costs to Earn Cash with Member Rewards

Did you know that prices for the same quality medical services can differ by thousands of dollars within the same region and health plan network? Blue Cross and Blue Shield of Texas provides **Member Rewards**, a program administered by Zelis that offers cash rewards when a lower-cost, quality option is selected.

- Member Rewards allows you to shop for health care services and as the examples in the chart show, you can save money depending on the option you select.
- Best of all, shopping with Member Rewards could help lower your out-of-pocket costs and help you earn a cash reward.

Reward Eligible Procedure	Provider A Cost	Provider B Cost
MRI of the Brain	\$682	\$2,723
Artificial Joint Repair	\$17,003	\$47,617

Examples shown are for illustration purposes and are not intended to represent costs for procedures in your area.
