

Small Groups Can Save Big with Member Rewards

Your Blue Cross and Blue Shield of Texas benefits include Member Rewards. It's a comprehensive engagement and rewards program administered by Zelis. The program guides your employees to cost-effective options, helping achieve measurable savings for them and you.

With Member Rewards, employees can earn a cash reward when they shop for procedures or services, and select a low-cost, reward-eligible option. It uses the Provider Finder® tool, which helps them:

- Compare costs and quality
- Estimate out-of-pocket costs
- Assist in making treatment decisions with their doctors

Member Rewards offers an average savings of **\$692 PER CLAIM.**¹

How Does It Work?

First, the member uses Provider Finder to find and select a reward-eligible provider.

Then, the member visits their chosen reward-eligible provider.

Next, the member receives a cash reward by check or an alternative form of payment, which will be sent to them after the claim is paid and the provider is verified as reward-eligible.
